

FOR IMMEDIATE RELEASE

Qualyst expands sales organization

RESEARCH TRIANGLE PARK, N.C., U.S.A. (April 4, 2005)

Qualyst, Inc., a privately held company, announced today the hiring of Andrew Chu as Director of Business Development reporting directly to CEO Scott Neuville.

Mr. Chu has extensive life sciences business development experience including positions at TimeLogic, Accelrys, Dow Chemical, and most recently as Vice President of Business Development at QuantumBio.

Qualyst also announced the promotion of Ian Mehr to Vice President of Business Development. Mehr joined Qualyst in 2003 and has responsibility for major account licensing activity, management of the ongoing MDS alliance, and all marketing activities.

About Qualyst, Inc.

Qualyst commercializes novel and proprietary ADMET products for drug discovery and development. Qualyst's products allow pharmaceutical and biotechnology researchers to make faster, better decisions regarding drug candidate compounds, saving valuable time and research dollars in the process. Qualyst, Inc. was founded on discoveries from breakthrough research at the University of North Carolina at Chapel Hill in 2001. For additional information, please refer to the company's web site at www.Qualyst.com or call 919-313-6500.
